MARYLAND GAZETTE

THURSDAY, NOVEMBER 19, 1767.

FROM A LATE ENGLISH PAPER.

To be SOLD by PRIVATE CONTRACT,

A SET of COACH HORSES, the Property of the ——— of ———, which are well known to the PUBLIC, his L——P having drove them constantly about Town for the last 5 Months, much to his own Amusement, and more for the Diversion of the People. His ——— is now resolved to part with them, although he has NOT got a new Pension, and scorning to give any One an INADEQUATE Bargain, he gives the following fair Description of the BEASTS, with their GOOD and BAD Qualities.

THE young and spirited Horse ———, who, though he draws a COACH at present, is equally fit and willing to draw in a *Dung-Cart*. The Great Grandsire of this Horse, was the noted Stallion ROYAL OAK; his Great Grand-dam, a favourite Filly, kept by CHARLES II.

THE fine showy Horse, WEATHERCOCK, of A most remarkable Breed, has a tender and sure Mouth, and feels the Curb at once, bears the Whip very kindly; he draws equally well on either Side, foremost or hindmost; is apt, however, to look one Way, whilst he draws another; much given to starting, and if he can slip from the Traces, will certainly run away. When this happens, he strays Northwards, and may be found grazing about *Luton-Hoe*, the Lord of the Manor always gives him up to his Owner; and, for some Days after, having been first well *whipped* in the Stable, he draws most kindly than before.

CRAFTY, a Colt of *Irish* Breed, full of Tricks; but, when he knows his Driver, is obedient and tractable.

PRUDENCE, a serviceable, tho' fine and elegant Horse; is somewhat *fey* and apt to run away; but by skilful Management, and keeping his Rack and Manger well filled, draws well, tho' in the darkest Roads. He was lately purchased out of *another Set*, with which he had always drawn from the Time he was first broke. He seemed to pine for some Time, and refused his Meat, but by *bathing* and *rubbing* has been brought too, and entirely recovered his Appetite. He is own Brother to the noted Horse PRUDENCY, who has started for all, and won *most* of the KING's PLATES this last Year.

SURLY, an old broken winded foundered STALLION, much given to snorting, kicking, and plunging: It was thought he broke the Traces of the last Coach he belonged to, but this is a Mistake, he smelt *better Provender* in the Stable to which he now belongs, and had the *Prospect* of a rich Meadow to cool his Tongue and his Heels.

THE Horse PERTINACITY, *usually* known by the Name of LIBERTY; he has lately cast his COAT, and is now sleek and fat, and though in excellent Order, is very tame and obedient; he has received some Kicks from SURLY, with whom he draws, but is nothing worse for them; he is very fond of rich Harnett, in which, and with a full Belly, he will draw backward and forward, to the Right and to the Left, can bear the hissing and shouting of a Mob, and is not frightened at Bonfires. Of late, *Boys*, Clothes, especially that Kind called *Hobson's Cut*, are very offensive to him, and throw him into *shaking Sweats*. He has a great Aversion to grazing in RUNNING MEAD, though he first fastened there; he can bear hard Driving for *Forty Days* together.

PROPOSALS to be received by Mr. A——N B——D, who rode POSTILION to the Stable in *Bond-Street*. Whoever buys the HORSES, shall have the POSTILION gratis.

N. B. If not SOLD by *May* next, they will be made a Present to his M——y, and sent to the T——r.

BOSTON, *November* 2.

At a Meeting of the Freeholders and other Inhabitants of the Town of BOSTON, *legally assembled at* Faneuil-Hall, *on Wednesday, the 28th of* October, 1767.

The Hon. JAMES OTIS, *Esq.* MODERATOR.

A written ADDRESS *to the Inhabitants, signed* Philo-Patriæ, *recommending Oeconomy and Manufactures, was by their Order read.*

THE Town then took into Consideration the Question of a Number of Inhabitants, That some effectual Measures might be agreed upon, to promote Industry, Oeconomy, and Manufactures; whereby to prevent the unnecessary Importation of European Commodities, which threaten the Country with Poverty and Ruin. Whereupon, in a very large and full Meeting, the following Votes and Resolutions were passed unanimously;

Whereas the excessive Use of Foreign Superfluities is the chief Cause of the present unhappy State of this Town, as it is thereby drained of its Money, which must continually be increased, by Means of the new Taxes and Impositions on the Trade of the Province, unless Measures for the Country, which Poverty and Ruin must ensue;

Therefore, VOTED, That this TOWN will take all prudent and legal Measures to encourage the Produce and Manufactures of this Province, and to lessen the Use of Superfluities, and particularly the following enumerated Articles, imported from Abroad, viz. *Loaf Sugar, Cordage, Anchors, Coaches, Chaises and Carriages, of all Sorts, Joiner's Furniture, Men and Womens Hats, Mens and Womens Apparel, ready made, Household Furniture, Gloves, Men's and Womens Shoes, Sole Leather, Sheathing and Deck Nails, Gold and Silver, and Thread Lace of all Sorts, Gold and Silver Buttons, Wrought Plate of all Sorts, Diamond, Stone and Paste Ware, Snuff, Mufflins, Clocks and Watches, Silversmiths and Jewellers Ware, Broadcloths that cost above 10s. per Yard, Muffs, Furs and Tippets, and all Sorts of Millinery Ware, Starch, Women and Children's Stays, Fire Engines, China Ware, Silk and Cotton Velvets, Damask, Druggist's Hollow Ware, Linseed Oil, Glue, Lawns, Cambricks, Silks of all Kinds for Garments, Malt Liquors, and Cheese.* ——And that a Subscription for this End be, and hereby is recommended to the several Inhabitants and Householders of the Town; and that *John Rowe*, Esq. *Mr. William Greenleaf, Malachi Bowers*, Esq. *Mr. Samuel Austin, Mr. Edmund Pope, Mr. Edmund Quincy*, Tertius, *John Baddock*, Esq. *Jonathan Williams*, Esq. *Joshua Henshaw*, Esq. *Mr. Henderson Inches, Mr. Solomon Davis, Joshua Winslow*, Esq. and *Thomas Cushing*, Esq. be a Committee to prepare a Form for Subscription, to report the same as soon as possible, and also to procure Subscriptions to the same.

And whereas it is the Opinion of this Town, that divers new Manufactures may be set up in America, with great Advantage, and some others carried to a greater Extent, particularly those of Glass and Paper;

Therefore, *Voted*, That this Town will, by all prudent Ways and Means, encourage the Use and Consumption of Glass and Paper, made in any of the British American Colonies, and more especially in this Province.

[*This Meeting adjourned till* 3 *o'Clock Afternoon.*]

III o'Clock, *P. M.*

THE Committee appointed in the Forenoon, to prepare a Form for Subscription, reported as follows:

WHEREAS this Province labours under a heavy Debt, incurred in the Course of the late War; and the Inhabitants by this Means must be for some Time subject to very burthensome Taxes: ——And as our Trade has for some Years been on the Decline, and is now particularly under great Embarrassments, and burthened with heavy Impositions, our Medium very scarce, and the Balance of Trade greatly against this Country;

WE therefore, the Subscribers, being sensible that it is absolutely necessary, in order to extricate us out of these embarrassed and distressed Circumstances, to promote Industry, Oeconomy and Manufactures among ourselves, and by this Means prevent the unnecessary Importation of European Commodities, the excessive Use of which threatens the Country with Poverty and Ruin——DO promise and engage, to and with each other, that we will encourage the Use and Consumption of all Articles manufactured in any of the British American Colonies, and more especially in this Province; and that we will not, from and after the 31st of *December* next ensuing, purchase any of the following Articles, imported from abroad, viz. *Loaf Sugar*, and all the other Articles enumerated above.——

And we further agree fruitly to adhere to the late Resolution respecting Funerals, and will not use any Gloves, but what are manufactured here, nor procure any new Garments upon such an Occasion, but what shall be absolutely necessary.

The above Report having been considered, the Question was put, whether the same shall be accepted? *Voted unanimously in the Affirmative.* And that said Committee be desired to use their best Endeavours to get the Subscription Papers filled up as soon as may be. Also, *Voted unanimously*, That the foregoing Vote and Form of a Subscription, relative to the enumerated Articles, be immediately published, and that the Select-Men be directed to distribute a proper Number of them among the Freeholders of the Town, and to forward a Copy of the same to the Selectmen of every Town in the Province; as also to the principal City or Town Officers of the chief Towns in the several Colonies on the Continent, as they may think proper.

That Clause in the Warrant, "That the Mind and "Resolution of the Town may be taken with respect "to the Expediency of a humble Request to his Excellency the Governor, that he will convene the General "Assembly as soon as may be?" was read, and considered. Whereupon, *Voted unanimously*, That the Representatives of this Town, having already made humble Application to his Excellency the Governor, for the Purpose above mentioned, the Town do approve of their Conduct therein, hereby declaring their Sense of the Importance of the Measure, and expressing their Hopes that his Excellency will be pleased to favour it, by convening the General Assembly as soon as conveniently may be.

The Clause in the Warrant, viz. "To consider of "some Measures for employing the Poor in the Town "of Boston, by reviving the Linen Manufacture, and "such other Ways as shall be thought most bene-"ficial" was read, whereupon *Voted*, that John Barret, Esq. Edward Payne, Middlecot Cook, Esq. Mr. Addington Jackson, Malachi Bowers, Esq. Jonathan Williams, Esq. Nicholas Gouldsbury, Esq. be a Committee for the Purpose aforesaid, to report as soon as may be.

Some Proposals made. *Voted*, That the Town will take all proper Methods, by keeping their Children and Servants, and other Ways, to prevent the Disturbances which have sometimes happened on or about the 5th Day of November.

Attest. WILLIAM COOPER, Town-Clerk.

[*A noble Example, well worthy to be followed by every British Colony in America; and it is hoped the Hint will kindle from Province to Province, till we become one determined People; to pursue Industry and Oeconomy, and encourage our own Manufactures.*]

Then the Meeting was adjourned to the 30th Day of November Instant.

At the above Meeting several Samples of Starch, called Poland Starch, and of the Common Sort of Starch, Hair Powder of the best Sort, Glue, and Snuff like Kippen's, so called, all manufactured in this Town by Messrs. Hewes, Baker, and Gillespie, were produced in Town Meeting, and much approved of.

Mr. John Baker, who manufactures the Poland Starch, so called, being present, declared his readiness to contract with the Inhabitants for 1000 Barrels at the prime Cost of that Article in London.

Mr. Gillespie, the Manufacturer of Scotch Snuff, so called, offered to furnish the Inhabitants with what may be wanted, at the first Cost of that Article, in North-Britain.

The Town were also informed that our Paper Manufacturers have given Assurance, that in case they can be supplied with the necessary Materials, usually burnt or thrown away, in our great Towns, they could supply the Province with whatever Sorts of Paper they have Occasion for, in sufficient Quantity, with some left for the other Colonies.

There is a certain Herb, lately found in this Province, which begins already to take Place in the room of Green and Bohea Tea, which is said to be of a very salutary Nature, as well as a more agreeable Flavour.—It is called LABRADORE.

We are confidently told, that in the Town of Lynn, upwards of Forty Thousand Pair of Womens Shoes have been made in one Year, equal in Goodness to any imported from Abroad.—It is thought that in a few Years they will be supplied with Calamancos, and other Stuffs, manufactured in this Province.

We are assured from good Authority, that many of the Ladies of this Town have said, that in the List of Articles not to be purchased, TEA ought by no Means to have been omitted; and that they are resolved to omit the Use of it for the future.

It is judged that the Spirit of Frugality and Oeconomy prevails in our Country Towns, as the Demand for European Superfluities is of late very greatly diminished.

In a large Circle of very agreeable Ladies in this Town, it was unanimously agreed to lay aside the Use of Ribbons, &c. &c. &c. for which there has been so great a Resort to Milliners, in Times past.—[It is hoped that this Resolution will be followed by others of the Sex, throughout the Province.—How agreeable will they appear in their native Beauty, stripped of these Ornaments, from the prevailing Motive of Love to their Country.]

We must, after all our Efforts, depend greatly upon the Female Sex, for the Introduction of Oeconomy amongst us: And those who have the Pleasure of an Acquaintance with them, assure us, that their utmost Aid will not be wanting.

So strong is the Disposition of the Inhabitants of this Town to take off the Manufactures that come from the Country Towns, especially Womens and Childrens Winter Apparel, that nothing is wanting but an Advertisement, where they may be had in Town, which will be taken in, and published by the Printers of the Boston Gazette, gratis.

LONDON, *August* 29.

It is reported that his Grace the Duke of Northumberland will be appointed one of his Majesty's Secretaries of State, in the room of the Right Hon. the Earl of Shelburne.

We are told that the Dissensions among the Great are now less likely than ever to be removed; and it is added, that the political Flock will certainly be under the Gentle Shepherd's Care before the Meeting of the Parliament.

A celebrated Exile, we hear, lately wrote a very affecting Letter (relative to his Case and present Situation) to a great English Personage (Duke of York then at Paris, and we are told it was most graciously received. It is rumoured that it was followed by a private Audience.

Sept. 2. A Letter from Copenhagen informs, that the Court had sent Orders to recal the Danish Consul from Algiers.

Sept. 3. We hear that a Gentleman who lately offered himself a Candidate for a Northern Borough, had in his Retinue, Two Jumper-Horses, heavy laden, with a superb Covering over their Backs, on which was wrote, in large Gold Letters, on the one, *Money for the Election*, and on the other, *More Money for the Election*.

Sept. 4. His Majesty has been pleased to appoint the Right Hon. William Spry, Esq; Judge of all Americ to be Vice-Admiral in the Island of Barbados, in room of Governor Pinfold, who has resigned.

Sept. 5. The following political Conjectures, we hear occurred in a Conversation this Week at a Coffee-Hou near St. James's.

That the Marriage of the Prince Stadtholder wi a Princess of Prussia, would be a fine Barrier to t Dutch; and that in case of a Rupture with Englan the King of Prussia would immediately seize Hanov May. It was even expected that the King of Prussia w so offended at his Demand of Three Years Subsidy being accepted of by England, who put him off with only, and made Peace without his Consent, that

will take the first Pretence of joining the Family Compact, who will then permit him to seize Hanover as a Recompence.

That a War with France, Spain and Holland, muſt ſoon happen; and that the French had got 60 Ships of the Line already more than they ought to have, beſides a great Number of Frigates, and would take the firſt Opportunity of retaliating upon England, by ſeizing their Fleets, when the Seas were covered with them in coming home.

That as an Inducement for the King of Pruſſia to join the Family Compact, France was to allow a Toleration of Religion throughout her Dominions, which would be the greateſt Blow England could receive.

Many of the Gentlemen were of Opinion, that a War with France, Spain and Holland, would be of Advantage to England, becauſe then it muſt be confined to a Naval one, and would be the only Means of uniting the Nation.

Sept. 17. By a Gentleman from Ireland we learn, that the Generality of the People there, are ſo fired with the Love of Liberty, that unleſs the Bill for limiting the Duration of their Parliament to Seven Years, which has already been ſo often brought into the Houſe and rejected, ſhall paſs into a Law the enſuing Seſſions, it is the Opinion of thoſe who are beſt acquainted with the Temper and Diſpoſition of the People, that the whole Kingdom will be in a Ferment, and Mobs be more frequent and outrageous than they have been ſince the Revolution; but it is hoped the Prudence and Moderation of their preſent Lord Lieutenant, and of the Legiſlature in general, will prevent all this, by gratifying them in what they have in vain ſo long ſolicited for.

WILLIAMSBURG, *October* 22.

Col. Terry, from Halifax County, informs, that ſome Time in Auguſt laſt, a Man was taken up, and committed to their Goal, who, upon Examination, confeſſed himſelf one of Depriеſt's Gang, and that he, with others, guarded the ſaid Depriеſt, until he had ſtruck 80,000 l. Maryland Currency, the Bills moſtly of the Dollar Denomination. And ſome Gentlemen, now in Town, inform, that Depriеſt himſelf is now apprehended, and committed to Frederick County Jail in Maryland.

ANNAPOLIS, *November* 19.

The few following Articles, under the LONDON *Head, we copy from an* IRISH *Paper, dated the 7th of laſt* September, *juſt now come to Hand.*

A Letter from Copenhagen, dated the 17th of Auguſt laſt, ſays, There is one Chriſtian Drachenberg, at preſent living at Arhus, in Jutland, aged 140 Years. He walks abroad every Day, but is obliged to have ſome Perſon to attend him, on Account of his Sight, which is very indifferent.

A private Letter from Scotland, mentions, that in the great Cauſe between Hamilton and Douglas, a reclaiming Petition is preparing on the Part of Douglas, to be preſented to the Court of Seſſion, at their Firſt Meeting, in November. By the Conſtitution of that Court, after Judgment is given, either Party may petition or reclaim againſt ſuch Judgment, provided they advance new Matters of Law or Fact. If ſuch is advanced, the other Party is allowed to anſwer, and the Court then determines. It is well known, in many Inſtances, that the Court, on ſuch reclaiming Bills, have altered their firſt Opinion. From this Circumſtance, it is probable this great Cauſe will not come before the Houſe of Peers next Seſſion of Parliament.

The Eſtate of the late Duke of Douglas, now in the Poſſeſſion of Mr. Douglas, is worth upwards of 20,000 l. a-Year, beſides the Honours of Earl of Angus.

The following is a more correct Liſt than any that has been yet publiſhed of the Eſtabliſhment of the Lord Lieutenant of Ireland's Houſhold, viz. Right Hon. Lord Frederick Campbell, Principal Secretary. Richard Jackſon, Eſq; Second Secretary. Hon. Mr. Cornwallis, Mr. Young, Sir Robert Pynſent, and Mr. Hodſkinſon, Chaplains. Hon. Capt. Walſingham Boyle, Uſher of the Black Rod. Col. Robert Walſh, Majors Brooke and Fraſer, Captains Fleming, Dilkes, and Manby, Aids-du-camp. Capt. Baudin, and Mr. Swan, Gentlemen of the Bedchamber. Capt. Jephſon, Maſter of the Horſe.

A Morning Paper ſays, It has been obſerved, that ſince the Acceſſion of his preſent Majeſty, there have been Seven Lord Lieutenants of Ireland, viz.

The Duke of BEDFORD,
The Earl of HALIFAX,
The Earl of NORTHUMBERLAND,
Lord Viſcount WEYMOUTH,
The Earl of HERTFORD,
The Earl of BRISTOL,
Lord Viſcount TOWNSHEND.

Of the above Noblemen, there were no leſs than Four ſucceſſively in the Government, in little more than the Space of a ſingle Year, from the Middle of May 1765, to the latter End of July 1766, viz. Lord Northumberland, Lord Weymouth, Lord Hertford, and Lord Briſtol. In former, leſs enlightened Times, the Government of Ireland had been uſually held by the ſame Perſon for Three Years. There are Inſtances of ſome who enjoy'd that high Office for Six. Immediately on the Appointment of a new Lord Lieutenant, it is the Cuſtom to remit to him, from the Iriſh Treaſury, 3000 l. for his Equipage. This Douceur is independant of the Salary. In the ancient exploded Courſe of triennial Appointments, that Perquiſite would, ſince his Majeſty's Acceſſion, have amounted to a Charge of 6000 l. (perhaps, no more than Three; but, in conſequence of the improved Syſtem of our Days, it is come, during that Period, to full Eighteen Thouſand Pounds; juſt Three Times the ordinary Expence upon that ſingle Article.

Under the DUBLIN *Head*, September 5, *we have the following Paragraph:*

It is now no longer a Secret, that one of the higheſt Offices in this Kingdom, contrary to every Principle of Juſtice and good Policy, and contrary to the Spirit, if not to the expreſs Letter of our Laws, is now expoſed to Sale, by Way of Auction. If we may judge by the Conduct of ſome lately appointed to this Office, this is not the firſt Time *that* Employment has been diſpoſed of at Market; for, it is well known, that all the appendent Offices to that Employment, have been either ſcandalouſly openly ſold, or given to the loweſt of the People, to Footmen and Panders, who were barely allowed pitiful Wages, while their Worthy Chief ſunk the Perquiſites of their Offices, to the Value of near *Three Thouſand Pounds* a-Year, in his own Coffers. Thus, it is eaſy for the Purchaſer of the high Employment, to reimburſe himſelf, at the Expence of the Public, but to the Diſgrace of the great, and the dependent Officers. *Freeman's Journal.*

On the 12th of this Inſtant, his Excellency our Governor was pleaſed to iſſue his Proclamation for Diſſolving the General Aſſembly of this Province.

And, on the 13th, Writs were iſſued for a General Election, returnable the 25th of *December*.

Tueſday next comes on the Election for Members of this City,

And, on Thurſday the 3d of *December*, is appointed for the Election of Repreſentatives for this County.

SCHEME
OF THE
MARYLAND LIBERTY LOTTERY.

THE Lower Houſe of Aſſembly of MARYLAND, have conſtantly, and ineffectually, hitherto, ſince Seventeen Hundred and Thirty-nine, RESOLVED, That his Lordſhip hath no Right to collect Twelvepence *per* Hogſhead on Tobacco exported.

A CONSTITUTIONAL TAX on the People to ſupport an Agent of the Appointment of the Lower Houſe, has been greatly deſired, frequently attempted, and as often refuſed by the Upper Houſe.

THE Lower Houſe of Aſſembly contend, That the Clerk of the Council his reaſonable Reward, as well as every other Expence neceſſarily attending the Execution of the Powers of Government, ought to be defrayed out of the FINES, FORFEITURES, AMERCIAMENTS, and OTHER MONIES, received by the Government for the Support thereof; and, "That "Sentiment being directly oppoſite to the Opinion "the Upper Houſe had, on mature Conſideration, "formed upon the Subject of the Clerk of the Coun-"cil's Claim," principally occaſioned the Non-payment of the Public Debt for upwards of Ten Years: The Diſtreſs of Trade for Want of a Circulating Medium, and the extreme Neceſſity of Public Creditors, compelled the Lower Houſe to agree to an Appeal to his Majeſty in Council, on the Subject Matter of Difference, without the Allotment of any Public Money for that Purpoſe, as the only Means to ſettle Diſputes, reſtore Public Credit, and lay a ſure Foundation for the future Eaſe and Good of the Province.

A SUBSCRIPTION therefore, by RESOLVE of the Lower Houſe, has been open'd, and Subſcriptions are taken in by every Member, for maintaining an Agent, and ſupporting the Appeal on the Part of the People, as well as obtaining Redreſs of their OTHER Grievances; and, by RESOLVE alſo of the Lower Houſe, as an additional Means of raiſing Money for the ſame Purpoſes, the following SCHEME of a LOTTERY, by which to raiſe ONE THOUSAND POUNDS Common Money, is ſubmitted to the PUBLIC.
